John E. O'Connor, being a descendant of the last line of kings of Ireland, objects to being mentioned as "O'Brien" when reference is made to the management of the real estate department of the Hawaiian Trust Company. Whether as O'Connor or O'Brien, it is safe to say that branch of his company would not suffer; it's the soft words that drop from the tongue of an Irishman that do the business.

Schlitz in BROWN BOTTLES doesn't have that "skunky" taste

that you sometimes detect in beer in light bottles.

That taste is the result of exposing beer to light.

Schlitz is brewed in the dark—filtered through white wood pulp. Perfectly aged, to prevent biliousness.

Every bottle is Pasteurized. When it reaches you in the Brown Bottle it is pure and wholesome.

See that crown or cork is branded "Schlitz."
